##### *VP Fundraising report*

20/20 fundraiser ended last week but any money received by August 1 will still be credited toward a player's account, dollar for dollar. Also, parents/players can still send out letters — as many as you want - - but the QB Club cannot send any more. Mrs. Ickes has 1,000 envelopes but no more letters or stamps; contact her if you would like envelopes.

Dreamland fundraiser begins today and ends March 23. Pick up March 30 at the field house. Dreamland comes frozen, reheat to serve. There are no tickets this year — simply fill out the form and turn it in. There's a flyer players can leave behind with the pickup date and location. Turn in money and form on March 23<sup>rd</sup>.

Hole sponsorships and other sponsorship levels for the golf tournament also starts today; ends April 21.

The tournament will be held on April 29<sup>th</sup> at 1:30 p.m. at Colonial Golf Course in Meridianville. Also, get your teams together to play. Football players will be volunteers during the tournament. The brochure included in the fundraising packet shows the different sponsorships available.

Coach Abernathy has asked the players to bring in door prizes in exchange for credit toward fees. Whether door prizes will earn half credit or dollar for dollar is to be determined. Door prizes are needed by April 21<sup>st</sup>.

#### *VP Volunteers report*

Angela Knight reported that there will be a volunteer list for Dreamland and the golf tournament, with credit toward fees. Last year volunteer opportunities at the golf tournament included set up, clean up, registration and cooking. In addition, players can help hand out Dreamland on the 30<sup>th</sup>.

#### *VP Meals report*

Continuing to feed the players peanut butter and jelly sandwiches (nut-free granola/cereal bars for those with peanut and tree nut allergies) and chocolate milk after workouts. Coach Sevier recommends parents encourage players to eat lunch because many are working out on an empty stomach.

#### Coach's report

Coach Laron White officially starts April 3<sup>rd</sup> but has been coming to the school to meet 8<sup>th</sup> grade and varsity player. After Spring Break, Coach White will have dates for spring practice.

Physicals will be available to players for \$10 on May 8<sup>th</sup>. 8<sup>th</sup> grade players will need a physical prior to spring practice and can get a free renewal on May 8<sup>th</sup>. Coach Watson will maintain a list of all player eligibility paperwork, including physicals.

After-school workouts for boys who didn't play last year are on Tuesdays and Thursdays. Buses have been transporting 8<sup>th</sup> graders to the high school for workouts for two weeks now.

Coach White and Coach Sevier noted that more coaches are needed so they can pay more attention to detail and provide better supervision.

After April 3 (Coach White's start date), there will be a mandatory QB Club meeting for parents, where fees, budget, schedule, coach's expectations and more will be discussed. In addition, the QB Club will have a public notary at the meeting to notarize the out-of-county permission form (required by the MCBOE).

Coach Sevier is providing extra supervised weight training at 4:45 p.m. Mondays, Wednesdays and Fridays. After Spring Break, those extra workouts will occur before school in the morning at 6:20 a.m.

Coach White noted that during summer workouts, simply notify him of vacation plans or out-of-town camps.
