

Minutes  
SHS QB Club meeting  
August 1, 2017

There was no official meeting of the Sparkman High School Quarterback Club in August. Instead, the Club held its third annual pre-season picnic on the first Tuesday of the month.

Members enjoyed hot dogs, hamburgers and assorted fixings provided by the Club and pitched in with additional pot-luck dishes.

The food was served in the weight room this year because the picnic was held on the same day as the band's parent preview performance to accommodate the band's food trucks.

It is recommended that the QB Club not hold its preseason picnic the same day as the band's parent preview performance in the future unless the potluck portion of the event is combined.

Respectfully submitted,  
Beverly Perry  
2017 QB Club Secretary
